February 2019

"I'm happiest on your fridge."

Continued Teaching Series...

As we continue our reading of Luke's telling of the good news, we're following Jesus through the towns and wild places of Galilee. Watch Jesus. Pay attention to where he goes, who he talks to and eats with, what he says and what he does. Notice who receives him and follows him from place to place in Galilee. Observe who rejects him and resists the news he brings.

LUKE
THE
Gaililge
YEARS

This same divisive Galilean rabbi comes to us in our own times and places, bringing disruptive challenge and surprising good news. Will we receive him or resist him?

We are asking everyone to start bringing their own mugs for Sunday morning beverages.

This is a practical way to spend less, and be good stewards of our earth by producing less waste.

If you forget, cups will still be available. However, we are trying to rely less on disposables.

Thank you!

Just go to smile.amazon.com and select your charity - Threads Church or Milwood Commons. A percentage of your purchases will be given back to the chosen ministry. Please note, you must shop through **smile.amazon.com**, not amazon.com for Amazon to give back. Let us know if you have any questions!
